ON PARTY LINES
Remember the Golden Rule.
Try to avoid unnecessarily
long telephone conversations.

★ "The Telephone Hour" brings you the Great Artists Series every Monday evening—a different top-ranking star of opera, radio or the concert stage on each week's program. The music you love, the way you love to hear it—with the Bell Symphonic Orchestra conducted by Donald Voorhees.

Tune in every Monday evening

☆ Today, with so many party-line users, consideration for your telephone neighbors gains new importance. If you are on a party line, you are making it possible for others to have service . . . So, *share the line* . . . make it a *good neighbor* line.

Remember: brief calls on party lines mean more calls for more people. In short, the No. 1 rule is—*don't be long!*

INDIANA BELL TELEPHONE COMPANY

JUST A MATTER OF BEING

Neighborly

IN MOST COMMUNITIES new telephone subscribers are being asked to accept four-party service. This is a measure designed to conserve critical materials needed for vital war supplies. When you share a party line you are making it possible for others to have service.

With so many new telephone users on party lines, we would like to remind you once more that the best service on a party line depends n of everyone on the line.

Be a Good Telephone Neighbor o a reasonable length. Remember line . . . both for others and for you!
